

### REMARKS

This is a divisional application claiming priority of parent application serial number 10/202,495. The parent application was subject to a requirement for restriction dated August 6, 2003. In response to the requirement for restriction, the claims of Invention IV, claims 13-24, were elected for prosecution and the remaining claims were cancelled

By this paper, claims 10-12 of the parent application serial number 10/202,495 are submitted for examination and claims 1-9 and 13-24 of the parent application are cancelled.

Accordingly, the application is in condition for examination on the merits. Should the examiner deem a telephone conference to be helpful in advancing the application toward allowance, the examiner is invited to telephone the undersigned attorney at the telephone number listed below.

Respectfully submitted,

  
John G. Rauch
